Subject :Financial Proposal for Website Development Services

Dear MaxedMedia Team,

We are excited to present the initial financial proposal for the development of your new website. Based on your requirements and the discussions we've had, below is the financial breakdown for this project

Project Overview:

Project Name: MaxedMedia Website Development

Total Project Cost: 10,000 EGP

Timeline: 1 month (30 calendar days)

Deliverables: A fully functional, professional, and responsive website for MaxedMedia.

Cost Breakdown:

Web Design	Custom design to match branding	3,000
Development	Front-end and back-end development	4000
Content Integration	Adding and formatting content (text, media)	1000
Testing & Debugging	Comprehensive QA and troubleshooting	1000
Final Deployment	Hosting setup, live site launch, post-launch support	1000

Total Cost: 10,000 EGP

Payment Terms:

50% Upfront Payment: 5,000 EGP due upon agreement to initiate the project

50% Final Payment: 5,000 EGP due upon completion of the project and successful website launch.

We value the opportunity to work with MaxedMedia and are committed to delivering a website that meets your expectations, aligns with your brand, and supports your business goals. If you have any questions or wish to discuss this proposal further, please do not hesitate to reach out.

Looking forward to your approval and the start of a successful collaboration.

Best Regards,

[Mohamed SharShar]

[MaxedMedia]
